TO: ALL LOCAL 641 SHOP STEWARDS

Dear Sisters and Brothers:

It is absolutely necessary that we receive an Application for Membership on every new employee when he/she is hired. We cannot process any initiation fees or union dues without the application. We are depending on our Stewards to see that we are notified by having each new employee complete an application and send it to us.

Please give us your full cooperation in this matter.

Fraternally yours,

William Cunningham
President
